*"Choosing an afternoon team building session at The Mystery Rooms is so far the highlight of our calendar year and weeks later our staff are still reminiscing about the experience. Highly recommend this to any corporation that places a value on team dynamics." **Jon Hobbs – World Challenge***

# What is a Mystery Room?

**A** Mystery Room is a timed challenge that places small teams (5-8 players) into a new and unfamiliar environment with a specific mission objective.

The spaces are fun and generous in size - players are never locked inside the rooms, but must unlock their way deeper into the game.

Our amazing staff are available throughout the games to answer any questions and provide support where requested.
